Marvel Trivia — Answer Key

1. C Iron Man

Iron Man (2008), starring Robert Downey Jr., was the first MCU film. The post-credits scene with Nick Fury set up the entire Avengers franchise.

2. C Mjolnir

Mjolnir (pronounced 'myol-nir') can only be wielded by those deemed worthy. In Avengers: Endgame, Captain America proves worthy enough to lift it.

3. C Vibranium

Captain America's shield is made of vibranium, a rare metal from the fictional African nation of Wakanda. It absorbs kinetic energy, making it virtually indestructible.

4. C Loki

Loki, Thor's adopted brother, leads an alien army (the Chitauri) to invade New York City. The Avengers assemble for the first time to stop him.

5. B Infinity Stones

The six Infinity Stones (Space, Mind, Reality, Power, Time, and Soul) give Thanos the power to wipe out half of all life in the universe with a snap of his fingers.

6. C Iron Man

Tony Stark builds the first Iron Man suit while held captive by terrorists. He becomes Iron Man and eventually the leader of the Avengers.

7. C Black Panther

Black Panther (2018), directed by Ryan Coogler, fully introduced Wakanda and became a cultural phenomenon, earning over \$1.3 billion worldwide.

8. C Groot

Groot is a tree-like creature who can only say the words 'I am Groot,' though other Guardians of the Galaxy can understand the meaning behind different inflections.

9. B Natasha Romanoff

Natasha Romanoff, played by Scarlett Johansson, is a former Russian spy who becomes a founding member of the Avengers.

10. C Time travel

The Avengers use Pym Particles and a 'time GPS' to travel back through their own history and collect the Infinity Stones before Thanos can get them.

11. C A peacekeeping program created by Ton...

Tony Stark and Bruce Banner created Ultron as a global peacekeeping AI. Ultron became sentient and decided humanity itself was the problem.

12. C Ant-Man

Scott Lang (Ant-Man), played by Paul Rudd, uses Pym Particles to change size. He plays a key role in the time travel plot of Endgame.

13. C S.H.I.E.L.D.

S.H.I.E.L.D. (Strategic Homeland Intervention, Enforcement, and Logistics Division) is a global security agency. Nick Fury, played by Samuel L. Jackson, is its director.

14. B Stan Lee

Stan Lee co-created Spider-Man (with Steve Ditko), the X-Men, the Avengers, the Fantastic Four, and many other characters (with Jack Kirby). He appeared in cameos in nearly every MCU

15. B I was bitten by a radioactive spider

Peter Parker gains spider-like abilities after being bitten by a radioactive (or genetically enhanced) spider. The origin has been told multiple times across comics and films.

16. C Avengers: Infinity War

The Battle of Wakanda in Infinity War sees the Avengers and Wakandan forces fight Thanos' Outriders. Despite their efforts, Thanos completes the Infinity Gauntlet and snaps.

17. B Neurosurgery

Stephen Strange is a brilliant but arrogant neurosurgeon who loses the use of his hands in a car accident. He travels to Kamar-Taj to heal and discovers the mystic arts.

18. C The Mind Stone

The Mind Stone was originally in Loki's scepter. Tony Stark and Bruce Banner used it to create Vision, who carries it in his forehead until Thanos removes it in Infinity War.

19. C I am Iron Man

Tony Stark says 'I am Iron Man' before snapping his fingers with the Infinity Stones, destroying Thanos and his army but sacrificing his own life. It echoes his words from the first Iron Man

20. C Five

The MCU has completed five phases: Phase 1 (Iron Man to Avengers), Phase 2 (Iron Man 3 to Ant-Man), Phase 3 (Civil War to Endgame), Phase 4 (WandaVision to Black Panther 2), and
